Blue Mountain Country Jamaican Curry Powder

A delicious "island" curry with complex flavor, Blue Mountain Country Jamaican Curry Powder gives your cooking the true West Indian flavor you crave. Whether hot or mild, our curry powder is a cornerstone in Caribbean kitchens and foodies' pantries alike. Perfect for spicing up chicken, fish, pork, lamb, rice, and many other dishes. If you can handle the heat, try our hot and spicy variety. Otherwise, our mild curry still packs a savory punch with just the right amount of sweetness.
