## Pickapeppa Original Sauce

Pickapeppa's flagship product is a warm, tropical, all-natural, spicy sauce. It is a unique blend of mangoes, tomatoes, onions, sugar cane vinegar, raisins, and a secret mix of spices. Pickapeppa original sauce, like a vintage wine, is barrel-aged to perfection for a minimum of one year before bottling. During this aging process, it develops exotic aromas and tongue tingling flavors to excite and delight you. It is highly versatile as a marinade, or as an accompaniment or ingredient for meat, fish, cheese, egg dishes or salad dressings.
